Not Your Grandpa's Jitterbug!

Whiskey River Jitterbug is the popular 6 count swing danced in LA Cajun & Zydeco dance halls and Honky Tonks. A fun alternative to Zydeco, WRJ appears deceptively complex but is a straight 6 count dance and just looks cool as shit. Michael Seider is a well-known, skilled interpreter and devoted student of these Creole/Cajun dance forms, Michael and wife, Anna, incorporate the newest steps and stylings into their dancing and instruction.

**FREE Pizza starts at 6:30. BYO salads & desserts.
Regular beginning Zydeco dance lesson 7:30.**
